## BENEFITS

- ✓ **Eco-friendly**, water-based solution.
- ✓ **Hydrophobic** protection, repelling the entry of liquids.
- ✓ **Anti-stain** protection, facilitating cleaning of stains and stickers.
- ✓ **Breathable**, non-filmogenic protection, compatible with GORE-TEX® membranes.
- ✓ **Colourless** treatment. The finish/texture of the footwear is not affected nor become compacted.
- ✓ **Nanotechnology-based** product free of PFOA and PFOS.
- ✓ **Improved footwear maintenance**, both in the final product and in the manufacturing process.
- ✓ **Easy application**, by spraying.
- ✓ The product is **fully re-applicable**.

## PACKAGING

Multiple formats available and 100% customizable:

- For domestic use:
  - 125ml and 500ml sprayer.
- For professional use:
  - 1L bottle.
  - 5L and 25L jerry cans.
